

Schneider Electric Automation Days

Tuesday, September 10th – 12th, 2024 | Hotel Zaza, Memorial City, Houston TX

We've curated 2.5 days of content to be delivered 4 ways...

Conversations with Impact Panel discussions, fireside chats, and expert advice on how to embark on your modernization journey with confidence.

Tech Talks 30-minute quick hits to get you acquainted with the solutions you haven't taken advantage of yet but should.

Discovery Hall See our solutions live in action and ask our local, technical consultants about how each product can be tailored to meet your needs.

Innovation Hub Product specific content tracks that cater to current users (non/new-users welcome) and connect you to our solution experts. These sessions include road maps, demonstrations, and customer commentary.

Please find the agenda 'At a Glance' and 'Detailed' below

Details

Tuesday September 10, 2024

7:00 am

- **Breakfast & Registration**
All attendees are welcome to join us for breakfast prior to commencing the days activities.

8:30 am

- **The New Industrial Identify**
An executive panel discussion outlining the future of automation in America.

9:00 am

- **Innovation Hall Opens**
Demos include: Altivar Drives, Controls & Signals, Ecostruxure Automation Expert, Foxboro DCS, Modicon PLC, Pro-face HMI, Triconex SIS

9:30 am

- **Trends, Insights and Predictions for the Future**
A market expert weighs in on what lies ahead for Industry.
- **Digital Transformation: It Starts with Culture**
Demystifying why so many struggle with digital transformation.
- **Tech Talk: Schneider Electric Services... More Than Just Start Ups**

10:00 am

- **Tech Talk: Pro-face HMI Centric Solutions Connectivity and Customization**
- **Foxboro Users @ SE Innovation Hub**
 - ✓ Welcome & Roadmap
 - ✓ OPEN Automation and what it means for your DCS
 - ✓ DCS Migrations
 - ✓ Voices of Industry: Foxboro in Practice
 - ✓ Integrating Power & Process EP&P

10:30 am

- **Digital Transformation in the Chemical Industry**
Learn proven transformation methodologies designed to propel your business.
- **Tech Talk: Full Control with Foxboro**

11:00 am

- **Tech Talk: SCADA Informed Prevention (Cybersecurity)**

11:30 am

- **Tech Talk: Future Glimpse: AI Embedded Tools Within PLC Programming Software**

12:00 pm

Lunch will be provided to all attendees.

1:00 pm

- **The Future Workforce**
Who are they and how do we attract them?
- **The Future is Dynamic**
Listen and learn from OTS customers as they share how they utilize Dynamic Simulation
- **Tech Talk: Triconex – Uninterrupted Safety**

2:00 pm

- **Unleash the Power of Intelligent Drives**
Hands on training with tips and tricks for driving profits in the oilfield.

3:00 pm

- **Maximize Impact Through Integrated Solutions**
This is where it all comes together, let us show you how.

4:30 pm

- **Schneider Electric Innovation Hub VIP Event - Networking & Happy Hour**
Join us for a sneak peek of our exciting new Innovation Hub located just steps away from Hotel ZaZa. Cocktails and hors d'oeuvres will be served

Wednesday September 11, 2024

7:00 am

- **Breakfast & Registration**
All attendees are welcome to join us for breakfast prior to commencing the days activities.

8:30 am

- **Shaping a Future with OPEN Automation**
Learn how to harness the power of open software defined automation.

9:00 am

- **Innovation Hall Opens**
Demos include: Altivar Drives, Controls & Signals, Ecostruxure Automation Expert, Foxboro DCS, Modicon PLC, Pro-face HMI, Triconex SIS

9:30 am

- **Unleash the Power of Intelligent Drives**
Hands on training with tips and tricks for driving profits in the oilfield.
- **Modicon Users @ SE Innovation Hub**
 - ✓ Intro & Overview of Modicon PLC/PAC Automation
 - ✓ PLC Connectivity
 - ✓ Cybersecurity Built In... Tell Your IT Team!
 - ✓ Hot Standby/Redundancy/Safety
 - ✓ Ecostruxure Process Expert – Hybrid DCS

10:00 am

- **How to Embark and Succeed on New Automation Frontiers**
Industry experts provide coaching on how to gain approval from within and where to look for funding.
- **Keeping Critical Infrastructure Up and Running Unstable field conditions can lead to catastrophe – learn how you can stay one step ahead.**

11:00 am

- **The Impact of Electrification**
Gain valuable insights on the process of assessment and preparation for modernization.

11:30 am

- **Tech Talk: Triconex – Uninterrupted Safety**

12:00 pm

Lunch will be provided to all attendees.

1:00 pm

- **Advanced Process Control**
A proven AI technology for autonomous plant operations
- **Tech Talk: Schneider Electric Services... More Than Just Start Ups**
- **Triconex Users @ SE Innovation Hub**
 - ✓ Process Safety/TMC Overview
 - ✓ Tricon CX and Digital Tools Demonstration
 - ✓ Safety Roadmap

1:30 pm

- **Tech Talk: Pro-face HMI Centric Solutions Connectivity and Customization**

2:00 pm

- **Building a Cybersecurity Strategy for Today's Industrial Landscape**
Our cybersecurity maven will introduce you to the tools and strategies you need for today.
- **Tech Talk: Full Control with Foxboro**

2:30 pm

- **Tech Talk: Future Glimpse: AI Embedded Tools Within PLC Programming Software**

3:00 pm

- **Tech Talk: SCADA Informed Prevention (Cybersecurity)**

3:30 pm

- **High Performing Teams**
Join U.S. Army, Special Forces veteran Jeremy Bell to discuss how to achieve common goals with your colleagues.

Thursday September 12, 2024

7:00 am

- Breakfast
All attendees are welcome to join us for breakfast.

9:00 am

- Exclusive Launch SCADAPack™ 470i & 474i Controllers @ SE Innovation Hub [Session 1](#)
Engage with experts and discover the innovative features of the next generation SCADAPack™ 470i & 474i Controllers!
- Innovation Hall Opens
Demos include: Altivar Drives, Controls & Signals, Ecostruxure Automation Expert, Foxboro DCS, Modicon PLC, Pro-face HMI, Triconex SIS

12:00 pm

- Lunch will be provided for all attendees.

1:00 pm

- Exclusive Launch SCADAPack™ 470i & 474i Controllers @ SE Innovation Hub [Session 2](#)
Engage with experts and discover the innovative features of the next generation SCADAPack™ 470i & 474i Controllers!
